

Sweating and shaking, I am awaiking Forced to open my eyes, nightmare starting Looking out from window, what are those beasts? Roaming and flowing through the streets I walk to bathroom, seeing glimpse of myself in the mirror Oh my fuckin' hell, Am I one of those beasts I saw? This truly is nightmare, please I want to shut my eyes again Fucking human garbage, I am leaving all of you Taking you as much I can with me, with C4 My total goal is human extinction Fuckin' ultimate extermination Smile and wave my dear neighbour Tomorrow you dont exist anymore
